

KLEER-SET Polyester Mounting System

MetPrep's transparent Polyester resin / hardener system. Ideal for many applications where seeing into the mounted sample is required and edge retention is not critical.

Particularly suitable when large mounts are required as the Polyester system are the most economical of the resin products. Combines excellent visibility and cost effectiveness in a single versatile quick setting system. The resin also has a pink tint to it.

11 10 81	KLEER-SET - Clear	1 Kg Resin & Hardener
11 10 82	KLEER-SET - Clear	5 Kg Resin & Hardener

Curing time 40 minutes
